That mauve (pink, you know, trying to be purple) haze which hung over the campus last week issued from the "Red Hot" edition of the Razz Berry. Pi Delta Epsilon's perennial burst of wit and humor.

Notwithstanding a few errors in grammar, some admitted plagiarisms and frequent lapses from gentle satire into absolute vituperation, the edition was, on the whole, a howling success.

Its appearance, however, has created two dissatisfied factions—those who received mention, and those who did not receive mention.

The feeling at George Washington is that one simply does not belong until one has elicited unfavorable comment from the Razz Berry. On the other hand, there is a certain sensitivity occasioned by a public exposure of personal peculiarities.

Our tattered reputations will now rest in peace until the appearance of The Petticoat, at the Pan Hel prom, when the lady journalists will have their fling.

Hour Glass clears itself of taint of corruption by pledging one A. D. P. one Zeta Tau Alpha, one Delta Zeta and two non-sorority girls.

This may be considered in the nature of a public announcement that henceforth anything remotely suggesting politics will be anathema to Hour Glass.

Two of the offended groups, as well as two of the offending groups, are conspicuously unrepresented in the list of pledges. Whether by intent (and if so, by whose intent) is something which must enter the list of unsolved mysteries.

The group of representative women now comprising this organization should be ample assurance that future elections will be conducted strictly with an eye to the requirements of the constitution and the achievement of individual girls.

The Enosinian Society, at whose meetings literary opinions of strong Bolwellian and Bakesque flavor are perpetrated by a small group of the intelligentsia, met last Thursday night to discover what is wrong with the drama.

Failing in their search, they decided to get the information at first hand, so the Society's next meeting will be a box party at the Howard Theatre.

Well, well! One of our very own professors exhibiting absolutely Bolshevik leanings! Professor Louie Ragatz suggests at a School Spirit meeting that we proceed in a body to the campus of our Brookland rival and paint it red.

In the same breath he defines school spirit as "an intangible something." Red paint appears to us to be something pretty tangible.

To dance or not to dance, that is the question. If you are in favor of tripping the light fantastic, sign on the dotted line on page 3, and start saving your pennies for a ticket to the Junior Prom.

A heavily endowed Eastern university announces that two months prior to the opening of a campaign to secure an additional \$20,000,000, \$6,000,000 has been subscribed. Again proving the truth of the old adage, "Him what has gits."

DEBATING TEAMS IN 30 CONTESTS DURING 2 WEEKS

Three Teams Tour Country and Meet 24 Colleges; Six Home Debates

WIN IN MAJORITY OF DEBATES ON BIG TOUR

Boston College is Defeated for First Time in Five Years; Debate Columbia

By HARRY S. WENDER

For the past two weeks debating has continued as the activity in which George Washington University has engaged more extensively than any other. Three teams on tour throughout the United States took part in 24 debates while fellow debaters engaged in six more at home, bringing the total up to 30. Of the tour debates, 11 were won, 8 lost, and 5 instances no decisions were rendered. Three of the home debates were won, one no decision contest was engaged in, one loss was incurred, and the results of the debate held last Monday had not been ascertained at press time.

The Western team, composed of Cyrus V. Hoagland, captain; Washington Irving Cleveland, and John L. Seymour, engaged in 10 debates, of which no decisions were received in 4, and victories and defeats in 3 each of the remaining six.

The University of Detroit was defeated by a vote of 3 to 0 on the subject of Extraterritoriality. The judges on this occasion were the Mayor of Detroit, a judge of the Circuit Court, and a very prominent newspaper man. The debate, which was attended by over 500 people was held in the Museum of Arts in Detroit.

Defeat Defiance

Defiance College was defeated by a unanimous vote of the audience. The victory sustained by the Hatchettes at Wooster College, in which an expert judge gave the decision, followed an 85 mile automobile drive which started at 4 o'clock in the morning. The evening before, the team had been defeated at Ohio Wesleyan by a vote of 2 to 1.

The Wooster College debate was held at 9 a. m. in a morning assembly (Continued on page 6)

That this third edition bids fair to be better than either of the two previous issues is the opinion of members of the club. The cover has been done by a new member of the art staff and is said to be one of the best ever used.

As only a limited number of the edition will be printed the club has announced that persons desiring to insure getting a copy should make a reservation for it by leaving their names at the Hatchet office.

SEVENTEEN INITIATED BY GRAND HISTORIAN

Six Faculty Members and Nine Active Men Compose Chapter; Officers are Elected

The Geology Club of George Washington University was installed last Friday night as Tau Chapter of Sigma Gamma Epsilon, national geological fraternity.

Professor C. A. Bonine, head of the Department of Geology at Penn State College, and Grand Historian of the fraternity, installed the local chapter, with the aid of Ira Edwards of Zeta Chapter at the University of Texas, and John E. Organ, of Rho Chapter, Indiana University, both of whom are now graduate students at George Washington.

Six men were initiated as faculty members. They were Dr. E. O. Ulrich, honorary adviser of this chapter, now Senior Geologist of the U. S. Geological Survey and the outstanding stratigraphic geologist in the world; Dr. George P. Merrill, Professor Emeritus of Geology at G. W. U., Head Curator of Geology at the U. S. National Museum; Dr. R. S. Bassler, Curator of Paleontology at the National Museum; Dr. Charles E. Resser, Associate Curator of the National Museum; Dr. Robert F. Griggs, head of the Botany of G. W. SCHOOL SPIRIT CLUB HEARS PROF. RAGATZ

New Students Should Meet the Right Spirit on First Day of School, He Says

More than two hundred members and applicants attended the Pep Club meeting in Corcoran Hall on Thursday, February 24. Professor Ragatz, who was the speaker of the day, proved a good drawing card, and the girls, as well as the boys, came determined to show their spirit.

Professor Ragatz said that new students should meet the right spirit the first day they enter school. "Let them know you're proud of your school," the popular professor said, "and they will be proud of it too." He expressed the opinion that "if we'd had the spirit you people are showing today when these boys came over from C. U. and put up that sign, 'C. U. 17, G. W. 9,' two hundred G. W. students would have bought twenty cans of red paint and wrecked Catholic University."

Professor Ragatz defined school spirit as "an intangible something without which the largest university is small and which makes the smallest college great." He suggested that some of the meetings be held at night, so the evening students could come.

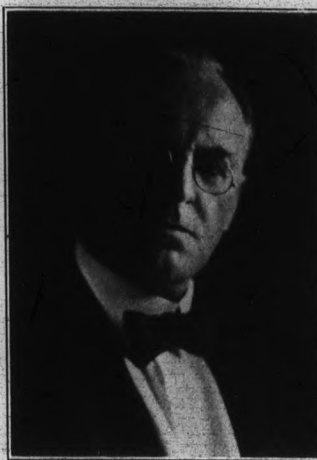

A public expression of thanks was given Kenneth Mulford, the Texter Brothers, and Oscar Brand for volunteering to play for the club's first dance, given in the gymnasium on Saturday.

Professor H. G. Doyle will be the speaker at the next meeting, to be held Thursday, March 3, in Corcoran Hall at 11 o'clock.

MIMES WILL PRESENT SHAW'S "CLEOPATRA"

"Caesar and Cleopatra." Shaw's well-known satire, will be presented on April 8 by the Mimes, dramatic society of the University. The play will be a part of the festival of 1927 in which all dramatic organizations will be represented.

Although the parts for "Caesar and Cleopatra" have not yet been assigned, it was decided at the meeting last Thursday that the following students would take part: Anne Wrightson, Mary Griffith, Lonnelle Davidson, and William Parsons, Wilford Edings, Ralph Harris and Edward Moulton.

VARSITY QUINTET MEETS C. U. FOR UNOFFICIAL TITLE

Brooklanders Have Formidable Record of Wins For Season

ACTIVITY CARDS WILL ADMIT TO GAME IN GYM

G. W. Has Won Seven and Lost Seven Games; C. U. Contest Decides Season Record

Reputed to be the two strongest teams in the city, the Colonials and Catholic University Cardinals will battle at the Gym tonight for the virtual collegiate championship of Washington, in George Washington's final court game this season. With victories chalked up in their favor over the American U. quint, which started the season with a rush, and Western Maryland, who defeated Gallaudet twice, the Lemons appear to be very much in the running for the unofficial local court title.

Coach Rice's aggregation from C. U. however, may prove a stumbling block to the locals, if past performances can be relied upon as an evidence of the Reindeer's strength. George Washington lost to the Brooklanders on February 9, on the latter's court, 22-18, a belated rally by the Colonials falling just short of tying the score in a game that was featured by the strong defensive wall put up by both teams. On that occasion, the Maroon and Black took the offensive from the start, leading by 9-0, before Fred Wallace broke the ice for the locals with one of his typical long shots. Things changed in the second half and before the final whistle blew the Brookland margin had been narrowed to four points.

C. U. Looks Good

The Reindeer have met some of the speediest teams of the East this season, and have taken the majority of them into camp. Fordham, American University, Stevens Institute, Washington College and William and Mary are included in the list of victories.

William and Mary was decisively trounced by the C. U. quint with one of the largest scores of the season, 65-19. Johnny Long, at forward, and Ray Foley, C. U. guard, shared the scoring honors in this fray. (Continued on page 4.)

GLEE CLUB FEATURES NOVELTY DANCE ACT

Will Give Concert at Rauscher's and Plan Summer Trip; Many Appearances Made

The George Washington Men's Glee Club has finished its fifth concert of the season. Concerts have been given at Walter Reed, at the reception for President Lewis at Rauscher's, at the Metropolitan Presbyterian Church, at Marlborough, Md., and at Central High School for the Agricultural Department.

The Dance Act, featuring Henry Kling, Firth Marquis, Clem and Bert Denicke, and Henry Foster, with Paul Gable tickling the ivories, has proved the big hit of each program. The boys do a specialty Charleston and wind up with the Black Bottom.

Spring Dance

Excellent solos on the piano by Paul Gable, president of the club, and violin solos by Mr. Weihe have been given together with vocal numbers rendered by Robert Ferguson, tenor, and James McLain, baritone. One of the best selections of the club, which has been recently introduced, is the "Miserere" from "Il Trovatore," sung by the Glee Club with the assistance of Miss Froelich, soprano, and H. Sonntag, tenor.

The Spring Dance of the Glee Club will be held on April Fool's Day, April 1, 1927, at the Wardman Park Saddle Club. Elmer Brown's Troubadours will furnish the music. There will be many additional specialties.

MANN IS SPEAKER AT LUNCHEON OF ALUMNI

Dr. Charles R. Mann, director of the American Council on Education and a trustee of George Washington University, was the speaker at a luncheon given by the General Alumni Association at the Hotel Lafayette on Saturday, February 26.

This is one of a series of luncheons given by the Alumni Association on the last Saturday of each month throughout the academic year. Dr. Frank A. Hornaday, president of the Alumni Association, presided.

SCHOOL SPIRIT

Tonight will mark the high point of the basketball season when the G. W. Colonials will meet the Cardinals from Catholic University in the Gym.

Our team has been playing excellent basketball, especially in the past few games, but the attendance of students at these games has been decreasing. Tonight will not only be the supreme test for the team, but for the cheering section.

Last Saturday morning the G. W. School Spirit Club secured a peppy orchestra and gave a dance in the Gymnasium. We are told that the attendance would do credit to any G. W. tea dance.

The Hatchet wonders if all the students who were present at the School Spirit Club dance will be at the game. If there ever is a time to show school spirit it is tonight at the Gym.

HOW ABOUT THOSE MARKS?

Three weeks have passed since the close of examinations; three long weeks of weary waiting, and at the time of going to press the majority are still in the dark as to the outcome.

The mechanical difficulties involved in correcting some twenty thousand examinations, recording the marks and mailing them, are obvious.

Nevertheless, it would seem that some method could be devised whereby students might be apprised of their marks within a week's time.

At a number of universities having much larger student bodies, the marks are all out the morning after the last day of examination week. This, of course, necessitates employing a large staff to work day and night until the job is finished.

However, a good deal of mental agony and dissatisfaction is thus avoided.

THE FRESHMAN ELECTIONS

Ever since the Junior Class election finally was untangled and the results obtained we have been expectantly awaiting the results of the Freshman Class elections. Here the election judges have been faced with the proposition of corraling about thirty additional members of the class for a re-check on their ballots, and up to the present time have been unable to do so because of the failure of these freshmen to answer requests to come in and go over their votes with Professor Doyle.

Another situation now faces the committee, however. One candidate for the presidency has left the University and another candidate is reported as having failed to make good in his studies, thus making him ineligible for office. This leaves but one candidate for presidency in the field and we see nothing for the judges to do but declare this man elected. The situation seems to have reached an impasse, but we believe the election committee can find a way out of the mess by taking this action.

PROM POSSIBILITIES

The Student Social Committee is giving the University a chance through the medium of the Hatchet to express its opinion on the question of the holding of the Junior Prom this year. We cannot too strongly urge students to cast their ballots on this question. Undoubtedly there is a strong sentiment against the recent action of the committee in calling off the Prom. Now is the time to express that sentiment and cause the rescinding of their action.

Anyone who was fortunate enough to be present on Washington's Birthday at the concert in the Gymnasium must surely have been impressed by the way the great barn-like room was transformed into a most beautiful setting for this recital. An enterprising committee might have thought of the possibility of using these same decorations for the Prom the next night. The Board of Lady Managers of the Hospital, which was in charge, probably would have been glad to give its consent. A more attractive ballroom than this could hardly have been found.

The same decorations might still be used at much less than the cost of a hotel ballroom. By cutting down expenses and thus the cost of the ticket, support would be assured. This suggestion might yet be used, and the Prom held as usual.

Meanwhile, use the ballot on page six of this issue.

SOCIAL life on the campus seems to be slowing up, somewhat; however, with such interesting events as pep club dances and the interfraternity prom coming on, things will soon liven up.

THREE VICTORIES WON IN DEBATING

Maryland, South Carolina and Catholic University Teams Are Defeated

TO MEET INDIANA TONIGHT

Western Maryland Team to Invade Corcoran Hall Friday Night For Contest

Three victories have been sustained by George Washington debaters in the past two weeks, while nine teammates toured the country.

On Thursday, February 24, the University of Maryland was defeated by a 2 to 1 vote on the subject, "Resolved, That the present system of trial by jury should be abolished." The George Washington team, which upheld the negative of this question, consisted of Ray O. Harris, James R. Kirkland, and Gwynn Saunders. The Maryland debaters were Miss Hazel Tenney, Kenneth Petrie, and Frank Witter. The judges for the evening were Mr. Joseph Quinlan, Mr. Thomas N. Curran, and Mr. Robert Cronin, all of the Department of Commerce. Professor Earl C. Arnold presided.

The University of South Carolina was triumphed over by a 2 to 0 decision on Tuesday, February 22, at the Y. M. C. A. Assembly Hall. J. H. Vesey and Gwynn Saunders composed the Hatchette team which successfully upheld the affirmative of the question, "Resolved, That the Constitution should be amended to permit State control of liquor legislation and enforcement."

The South Carolina debaters were Thomas Wofford and Donald Russell. W. R. Vallance, Assistant Solicitor of the Department of State and an expert on smuggling; Mr. Tyler Dennett, Chief of the Division of Publications of the Department of State, and Prof. C. S. Richardson, Professor of Public Speaking of the University of Maryland, were the judges for the evening.

Defeat C. U.

On Tuesday, February 15, a group of Colonial debaters visited Catholic University and defeated that institu-

tion by a vote of 2 to 1 on the question of the principle of prohibition as expressed in the Eighteenth Amendment. W. F. Williamson, W. S. McSwain, and Gwynn Saunders were the George Washington representatives.

A debate was to have been held last Monday night, February 28, with the University of West Virginia, on the subject of interrelated debt cancellation. The George Washington team, which was to have held up the affirmative of the question, was the same which recently invaded the western part of the United States—Cyrus V. Hoagland, John F. Seymour, and W. I. Cleveland.

Tonight, Wednesday, March 2, the University of Indiana will be encountered in Corcoran Hall by a George Washington team composed of George Sanders, G. H. Vesey, and W. R. Ogg. The Colonial debaters will defend the affirmative of the question, "Resolved, That the McNary-Haugen Bill should be adopted."

Another debate will be held next Friday night, March 4, in Corcoran Hall with Western Maryland College. The Hatchettes will uphold the affirmative of the subject, "Resolved, That the Interrelated debts should be cancelled."

FACULTY CLUB DISCUSSES UNIVERSITY ORGANIZATION

Tendencies of modern university organization were discussed by Dean Ruediger at the luncheon of the Faculty Club, held Thursday, February 17, at the University Cafeteria. Dean Ruediger's address was part of a series of lectures arranged by Professor Donaldson, President of the Faculty Club.

These talks will form a review of the field of present-day higher education. Among other speakers of the series were President Lewis, who gave a lecture on "Problems of University Administration," at the January meeting of the Club. Professor Kayser and Dean Lapham also addressed the society.

COLONIALS BEAT W. MARYLAND IN CLOSE CONTEST

Score of 31-28 Ends Thrilling
Court Encounter in
Gymnasium

WIN INDICATES BRIGHT
OUTCOME FOR C. U. GAME

Play Moves Slowly at First But Vis-
itors Forge to Front in Last
Quarter

By a Garrison finish after losing a
healthy lead, the scrappy George
Washington Colonials earned a close
decision over the Western Maryland
basketers, 31-28, Friday evening in
one of the most thrilling encounters
staged in the H Street gymnasium
this season.

The Marylanders have twice easily
beaten the Gallaudet five this year, so
the Lemonite victory last Friday
seems to point out that they have im-
proved greatly since their defeat at
the hands of the Mutes early in the
schedule.

The Hatchettes have already atoned
for their American U. defeat by re-
cently drubbing that team.

Next Wednesday the Colonials will
have a chance to get even with the
haughty Cardinals of C. U. when the
two teams hook up on the former's
court.

Game Slow at Start

The game with the Green Terrors,
which incidentally gave the victors an
even break in the won and lost col-
umns, moved slowly at first. It gained
speed as it went into the last period
when Western Maryland gobbled up
a healthy Colonial lead to forge to the
front in the waning minutes of play.

From then on the contest resembled
a wrestling match, culminating in the
dismissal of Capt. "Otts" Broll, of the
visitors, from the game. This proved
to be the break of the old basketball
set-to for the Axemen, as Jimmy
Carey, the expelled leader's man, rang
up the basket that put the game on
ice.

Wallace Stars

Capt. Fred Wallace, of the locals,
was easily the star of the fray, al-
ways playing a smooth floor game
and counting 15 points by virtue of
seven field goals and one successful
try from the "help-yourself line."

BOWLING SERIES WILL BE DECIDED THURSDAY NIGHT

Inter-Frat Championship Rests
on Two Games to be Played
Tonight and Tomorrow

S. A. E., KAPPA SIG LEAD
WITH PERFECT SCORES

S. P. E. and Phi Sig Meet Tonight;
S. A. E.-Kappa Sig Battle
Tomorrow

Championship in each league of the
interfraternity bowling series will be
decided this week, when Sigma Phi
Epsilon and Phi Sigma Kappa, tied
for first honors in League 1, meet to-
night at 10 o'clock in Convention Hall,
and Sigma Alpha Epsilon and Kappa
Sigma, undefeated leaders in League
2, battle tomorrow evening in the Col-
iseum at 8 o'clock.

The S. P. E.'s earned the right to
hook up with the Phi Sigs when they
handed the latter team its first defeat
of the series in a spectacular match
on Saturday night. Earlier in the
week the S. P. E. rollers had fallen
before Kappa Alpha, the undisputed
champions of the cellar, and a second
downfall would have been disastrous.
Phi Sigma Kappa had a perfect record
of wins as well as the championship
in sight, so the match was strenuously
contested from the start.

Phi Sigs Down S. P. E.

Phi Sigma Kappa rolled a fast, bril-
liant game to turn the S. P. E.'s back
in the opener, 510-479. The Sigma
Phi pin splitters came back strong in
the next game, piling up numerous
strikes and spares to tie matters up,
506-470. During the final tilt the
outcome was always in doubt. First
one team of duckpinners would lead,
only to be brushed aside by a rival
strike or spare. The affair was not
definitely decided until the last man
on each team had bowled his final ball,
when a count indicated the S. P. E.
victory, 478-471. Falck, of the win-
ners, turned in the highest game of
the evening, 134.

T. U. O. bowed to the Phi Sigs in
the first match of the week for League
1, on Monday. The league leaders
took the first game by a 482-462 mar-
gin, and had even less trouble in col-
lecting the second, 476-430. Sigma
Nu lost a pair of flashy battles Tues-
day evening, when the S. P. E.'s con-
quered to the tune of 531-504, and
520-508. It is interesting to note
that this is the first match of the
series in which both teams scored
over 500 in both games.

Sigma Phi Epsilon was not so for-
tunate on Thursday evening, when the
Kappa Alphas, regarded as the goats
of the league, bumped the S. P. E.'s
off their perch in two straight games,
486-483, and 490-440. While the
Kappa Alphas were tasting their first
victory, the Sigma Nus were suffering
their second defeat of the week, this
time at the hands of the Phi Sig Kap-
pas, who had little trouble in taking
consecutive games, 479-422, and 466-
454.

The only other encounter scheduled
in League 1 besides the hectic struggle
of the Phi Sigs and the S. P. E.'s on
Saturday was that of Sigma Nu versus
T. U. O. It was found necessary to
postpone this match, so the engage-
ment, which will determine the third
place winner as well as the team
which will share the cellar with the

INTERCLASS RUN DATE IS APRIL 16

Fourth Annual Meet Will be
Held at Central High
Stadium

HELD BY MEN'S G. W. CLUB

Fraternity and Sorority Relay Races
Will be Features of Day's
Events

The fourth annual interclass track
and field meet of the University will
be held at the Central High School
Stadium on Saturday, April 16, under
the auspices of the Men's G. W. Club.
Plans for the event were discussed at
a meeting of the Men's G. W. Club
last Wednesday evening.

The interclass meet was inaugu-
rated in April, 1924, by the Men's G.
W. Club, and for the past three years
has proved so successful that it has
become an important feature among
the annual activities of the Univer-
sity.

The meet, which includes track and
field events for both men and women,
brings together for this one occasion
the greatest number of G. W. students
to participate in a single athletic
event during the year.

The chief trophy to be awarded is
the huge silver Louis A. Fischer Me-
morial Trophy, which will go to the
class that succeeds in amassing the
greatest number of points. For the
past three years the Senior Class has
won this trophy. Besides this award
there will be trophies and medals of
various kinds for individual point-
winners.

Relay Races

A feature of the meet will be the
interfraternity and intersorority relay
races. Keen competition is expected
in the distance races, in which, among
others, Willett, Johnson, Baker and
Pomeroy, experienced cross-country
and Marathon runners, will take part.

Distance Track Stars Do Well In Events of Week

Baker, Freshman, Places Second in Mile Run at Fifth Regiment
Games, But is Disqualified; Pomeroy, Willett, Domigan
and Johnson Star at Ten Miles

Distance track stars of the Uni-
versity have engaged in a series of
activities during the past few days
with outstanding results. The out-
standing performance of the week was
the showing made by a freshman, Wil-
bur Baker, in the open mile run in
the Fifth Regiment games held in
Baltimore last Saturday night. Baker,
although disqualified by a judge,
placed second among some of the
country's best mile runners.

Ten milers of the Colonial team
have been engaged in two races re-
cently. Last Sunday Floyd S. Pom-
eroy placed ninth in a jaunt over the
long distance held in Baltimore by
the Emorywood Athletic Club and an
associated body. His time was con-
sidered excellent for the conditions
of the race, as he covered the distance
over the streets and hills of Baltimore
in a high wind in the time of 57:55.
He received a silver medal for his
feat.

Pomeroy Runs Well

Pomeroy came home ahead of a
number of stars. Among the forty
entrants in the race were Whitey
Michelson, national Marathon cham-
pion; William Agee, Emorywood star;
several members of the Finnish-
American A. C., a team from the
Shanahan A. C. of Philadelphia, and
several District of Columbia distance
stars, including the veteran lunch-
room owner, Mike Lynch, and the two
Montagues, the latter three running
under the colors of the Aloysius Club.
Agee won the race in 54:42 1-5. Pom-
eroy came home ahead of Michelson,
Lynch, and many other stars.

The mile run Saturday night at the
Fifth Regiment games had more than
thirty entrants from the principal
colleges of the East. Among the en-
trants were men from Princeton,
Georgetown, Swarthmore, University
of Pennsylvania, Maryland, Penn

State, and St. Johns, besides a num-
ber of unattached stars.
Baker, starting from a handicap of
35 yards in a race where handicaps as
high as 70 yards were granted, placed
second, a bare inch behind C. R.
Payne, star miler of the University of
Pennsylvania, in the remarkable time
of 4:21 1-5. He was disqualified by a
judge at a turn for an alleged over-
stepping of the narrow track. This
action has been protested to the games
committee.

Beaten by Eyelash

Pomeroy of G. W. U. was also in
the race and placed eighth in a
bunched finish. Baker ran a beautiful
race, holding on to sixth place for
seven of the eight laps and pulling
rapidly up to a contending position
as the last lap gun was fired. He
ran abreast of the winner down the
home stretch and was only beaten to
the tape by an eyelash.

Hurd Willett, another Colonial dis-
tance star, was the first District of
Columbia man home in the ten-mile
race held on the streets of this city
Washington's Birthday under the
auspices of the Aloysius Club. He
finished fourth.

Horace Domigan, of the University
but running under an old registration
with the Washington Canoe Club, land-
ed in the ninth hole, while Sherman
Johnson of G. W. U. was tenth. Wil-
lett received a trophy cup as the
first District man to finish and the
other two men received bronze medals.

Crum Offers G. W. Gym For Post Tournament

Teams From District, Baltimore and
Other Southern Cities to
Compete

In order that the South Atlantic A.
U. basketball tournament elimina-
tion games may be played on the
standard size courts, Director of Ath-
letics H. Watson Crum has announced
to the Washington Post, under whose
auspices the matches are to be staged,
that the George Washington Gym will
be available to the players at any time
that does not interfere with regular
gymnasium activities.

Great interest is being taken in the
plans of the Post to conduct the
tournament in Washington, and some
of the best boys' and men's teams from
the District, Baltimore and other
Southern cities have already entered
the contest. It is to prevent argu-
ments among these teams that a regu-
lation floor has been promised.

Teams are to be divided into five
weight classes, as follows: Infants,
100 pounds and under, midjets, 115
pounds and under; Juniors, 130 pounds
and under; 145 pounds and under and

WESTHAMPTON IS WINNER OVER SIX

G. W. Girls' Sextet Loses to
Richmond Team by
26-17 Score

GAME IS FAST AND ROUGH

Colonial Dames are Handicapped by
Small Court and Posts on
Floor

By JULIA DENNING

George Washington coed basket-
ball six went down to defeat at the hands
of the Westhampton players Saturday
night, February 26, on the Richmond
court, by 26 to 17.

The Westhampton girls, thoroughly
at home on a small floor, which great-
ly handicapped the Colonials, played a
fast, rough game. The G. W. sex-
tet, at a loss as to what to do on a
court two-thirds the size of the H
street gym, was further confused by
four posts in the midst of the playing
territory and did not have its usual
accurate passing and shooting. The
ball went up and down the floor con-
tinuously and the victory was not de-
cided until the final whistle was blown
by the referee.

The Richmond team was on the go
the first minute of play, but G. W.
played up and no goals were made
by either side until the quarter was
nearly half over, when Hefflin of West-
hampton scored a two-point shot. The
clever interference of the Richmond
guards held the Hatchettes to one
goal and at the end of the period the
score stood 6 to 2 for Westhampton.

Richmond Keeps Lead

The Colonial tilters pepped up at
the start of the next quarter and
quickly caged a basket for two points.
Westhampton fouled immediately after
and Crumley put the ball in for two
free shots of one tally each. The
Richmond six, however, kept the lead
over the visitors during the period,
although they were seriously threat-
ened several times by the G. W. squad.
Towards the end of the half Tomlin,
George Washington guard, was put
out of the game on technical fouls,
which was another blow to the hopes
of the Washington team and when
time was called the tally was 14 to 19
for the Southerners.

George Washington tilters made
heroic efforts in the third quarter to
obtain the lead, but the Westhampton
team was too fast for them and at
the whistle it was 21 to 13 against
the Capitol City players.

In the last period Westhampton lost
Riddick, their gigantic center, and
Everhart, guard, on fouls. The loss of
these two players was a handicap, but
the lead was too great to be over-
come by George Washington in so
short a time, which at the end of the
game was on the short end of the
26 to 17 score.

The defeat of the team came as a
surprise and disappointment to the
Colonials, who are now practicing
harder than ever for the coming games
with Gallaudet, William and Mary,
and Western Maryland.

The summary of the game is as fol-
lows:

G. Washington.	Pos.	Westhampton.
Ewers	RF	Hefflin
Crumley	LF	Allen
Omwake	JC	Riddick
Cate	SC	Willis
Faunce	RG	Everhart
Tomlin	LG	Minor

Substitutions: Denning for Tomlin,
Wright for Hefflin, Richardson for Al-
len, Pankey for Riddick, and Turpin
for Everhart. Goals: Ewers (4 twos,
3 ones), Crumley (1 two, 4 ones), Heff-
lin (1 two), Wright (8 twos, 2 ones),
Richardson (1 two, 4 ones).

Aviation Talk Given By Government Head

Debate Follows Address Given by
Col. Blea of Commerce De-
partment

The Student Branch of the Ameri-
can Society of Mechanical Engineers
and the Columbian Debating Club
held a combined meeting last Friday
night in Corcoran Hall.

W. P. McCracken, Assistant Sec-
retary of Commerce, and recently ap-
pointed head of the new department
in aeronautics, gave a short address
on the general purposes of the de-
partment. He introduced Col. Blea,
technical aid in this department, who
gave a most interesting talk on the
equipment of aerial highways and
methods for promoting safety in com-
mercial flying. He also discussed at
great length the new radio beam
which is just recently being brought
into use. Figures quoted as to the
number of people killed in flying
showed that there was only one casu-
alty to every one and a quarter mil-
lion miles flown.

After the addresses the Debating
Society argued the question "Re-
solved, That there should be a Na-
tional Department of Aeronautics,
and that it should be an independent
branch of our National Defense, with
a separate secretary."

G. W. RIFLEMEN WIN OVER NAVY

Colonials Get 40-Point Margin In Match Held at Annapolis

R. A. LEIGHEY IS HIGH MAN
Also Shoot 1456 Out of Possible 1500 In Penn State Match to Win

Invading foreign soil for the first time this season the George Washington University men's rifle team scored a brilliant victory over the Naval Academy squad in a match shot in the Annapolis range last Saturday. The Colonial team led by the wide margin of 40 points when the totals were figured up, scoring an aggregate of 1434 to 1394.

R. A. Leighy of the Hatchetmen was the high point man of the match, scoring a total of 292 out of a possible 300. He was closely followed by George Campbell, his teammate, who had a score of 291. Eight men shot on each team with the five highest counting. The match was shot from three positions, prone, kneeling and standing.

Five Perfect Scores
The locals scored five "possibles" out of the fifteen positions counting for the score, one of them from kneeling, and had one score of 99 to count. Their opponents failed to score a single 100, but scored three 99's. Campbell, of G. W. U., was high man at standing position, the most difficult, with a score of 95-100. High man for the Navy team was C. E. Coffin, with a total of 288.

Meet Penn State
In the third of the Intercollegiate telegraphic matches, which was with Penn State, the G. W. team turned in a score of 1456 out of a possible 1500. The Penn State team score was 1421, giving the Colonials an easy victory with 35 points to the good.

The only match lost this season was the Norwich team, when the G. W. riflers dropped the match, 1457-1484.

PLAYERS HOLD TRIALS FOR SPRING PLAY CAST

The second tryouts for parts in the Players' spring play were held in Corcoran Hall on the evening of Wednesday, February 23.

Miss Brown was in charge, assisted by Pern Henninger and Morris Larson. Approximately twelve were tested for parts. Announcements of selections have not as yet been made, but will be very soon, as the limited time for preparation will necessitate an immediate arrangement of personnel. Morris Larson will have charge of the personnel as selected by Miss Brown, and Pern Henninger will direct the technical side.

Notices of future tryouts will be posted.

counting almost at will to bring their totals to 20 and 21 points, respectively.

Colonials are Strong
The Colonials also defeated the Virginians, 22-14. Although the locals could not score against the Lynchburg five with the ease that the Brooklanders did, this game was one-sided from the start, and it was only because of wild shooting that a larger count was not accumulated.

Capt. Johnny Long, at forward for the Cardinals has played a fine game this season, and is ably assisted in a brilliant passing display by Ray Foley and Bill Harvey in the guard positions. Jim Carney, in pivot position, and Eddie Keale at forward round out one of the best all-round teams of the East.

The first team is kept intact throughout most of the C. U. Games, but a formidable reserve list includes McDonald and Mountain.

G. W. Line-up
For the Lemonites the line-up will probably read Wallace and Allhouse at forward, "Orr" Goodson at center, Barrow and Carey, guards. There is a possibility that Allen Perry, snappy guard for the Colonials, will get into the game, as he is reported to be improving rapidly from the case of blood poisoning which was a result of an injury received in the American U. game.

Student activities cards are good for this game, and will admit the holders free. A record crowd is expected to see the contest, and early attendance is advised for those who wish seats.

The result of this game has a great bearing on the records of the Colonials for the season. To date, the Buff and Blue has won seven and lost seven of the fourteen encounters played. A victory in tonight's battle will give the locals better than an even break for the waning season.

INTERCLASS RUN DATE IS SET FOR APRIL 16

will be circulated among the organizations and departments of the University within the next two weeks, and detailed rules and regulations will be announced shortly. Entry blanks should be filled out and turned over to the Men's G. W. Club as soon as possible in order to prevent last-minute confusion.

COURT SEXTET TO PLAY TWO GAMES

Meet Gallaudet and William and Mary Teams This Week

INDIANETTES ARE STRONG
Colonial Dames Have Defeated Gallaudet in Game Played Earlier in Season

The Women's basketball team of George Washington University will participate in unusually interesting contests this week when it meets Gallaudet and William and Mary College, two of its oldest rivals, on Friday, March 4, and Monday, March 7, respectively, in the University gymnasium, at 8 o'clock.

The teams of Gallaudet and George Washington have met earlier in the season, on the Gallaudet field, with the result of a victory for the visiting team of 34-17. The George Washington six hopes to be equally successful with the return game in its home court, although the girls of Gallaudet have always proved worthy opponents.

The second battle to be staged should be an even more exciting one as the William and Mary team is most formidable, and victory has passed back and forth between the Indianettes and George Washington for a number of years.

Defeated Last Year

Last year the honor fell to William and Mary when the game was played in their own gym and in like manner the game of the preceding year was lost by the visiting Williamsburg girls, in a game played at George Washington. By virtue of precedent the George Washington co-eds should lead after the final whistle in the struggle planned for the evening of Monday, March 7, and if determination and effort on the part of the co-ed tilters of the University bring results the score will be close and the game lively from the first tip-off until time is called.

As both games will be held in the home gym, every student has an opportunity of seeing the progress being made in women's basketball while giving the team much needed support and viewing two intensive, close-fought contests. The loss of Elizabeth Hastings was felt very keenly in the game played with Westhampton College and the team hopes that she will have recovered from the gripe in time to take part in the two forth-coming games.

COLONIALS WIN OVER WESTERN MARYLAND

(Continued from page 3)
Maryland aggregation, garnered five scrimmage baskets and otherwise proved a stumbling block for the victors.

The Colonials went into the fray under a slight disadvantage with their star guard, Allen Perry, on the sidelines as a result of his injury received in the American U. tussle. However, his substitute, "Wheel" Barrow, was in the game from the start and gave a good account of himself.

Ready for C. U.

A word should be said for the life-saving tactics employed by "Neb" Goodson, the Colonial find at center. With the Terrors leading 28-26 and with only a few precious moments remaining, "Neb," the hero, slipped a beautiful long one through the cords, evening up the scores. Then, to add to his laurels, he broke the deadlock with a free toss, after Broll had fouled him and been given his walking papers.

Then, as if to leave no doubt in the visitors' minds, smiling Jimmy Carey sailed down the floor to slip in a snowbird. The gym resembled a bedlam of shrieking madmen.

After the game one of the fans was heard to say, "Bring on C. U."

BOWLING SERIES TO BE DECIDED TONIGHT

S. A. E., Kappa Sig Undeclared

Two undefeated teams will meet when S. A. E. and the Kappa Sigs lock horns for the supremacy of League 2 tomorrow night. Sig Alpha Epsilon won its only match of the week from the Theta Deltas in a slug-fest contest in which neither team scored 400. On the same evening, Thursday, Kappa Sigma, the other league leader, kept its position secure by taking two out of three games from Acacia. Last year's champs put up a terrific battle and set the Kappa Sigs back, 478-473. The Sigs retaliated by taking the next, 480-455. They also took the decisive game, 503-450.

Saturday night all teams in League 2 were inactive. Sigma Chi forfeited its scheduled match with Acacia, while Kappa Sigma and S. A. E. postponed their championship game on account of conflicting engagements.

The standing of teams in the series as the league leaders meet to decide the finalists is as follows:

YEARLINGS BEAT L. H. H. S. QUINTET

Defeat Leonard Hall High School 15 to 13 in Spirited Court Contest

ROUGH TACTICS ARE USED
Excellent Teamwork of G. W. Frosh Enables Bill Stewart to Chalk Up High Score

The Freshman court team defeated the Leonard Hall High School quint, 15-13, on the latter's floor at Leonardtown, Md., on Saturday, in a game replete with close guarding and consequent personal fouls. Of four games scheduled last week, this fray was the only one to materialize.

Superior shooting was largely responsible for the yearlings' victory, since the Marylanders missed twelve of their fifteen foul shots, while the winners converted five fouls into counters. Playing on a floor which had no out-of-bounds line, the Frosh team was somewhat handicapped by the rules in force.

Colonials Lead at Half

By virtue of an early lead the young Colonials were in the van at the intermission, 9-6. In the third quarter rough tactics were adopted by both sides, which finally resulted in the expulsion of Bobby Gray and Irving Breslow from the game on personals. Had the losers taken better advantage of the resulting charity shots the final score would have been somewhat different.

The Leonardtown gymnasium was packed with spectators, which resulted in some lusty cheering during the contest.

Teamwork featured the play of both sides, and while Bill Stewart led the scoring for the Frosh with two double-deckers and a foul shot, this was due largely to the snappy passing game put up by the yearling team.

Besche and Phillips shared scoring honors for the Marylanders, with two foul goals each. Moore was the only player on the losing team that scored fouls consistently, looping in the three Leonardtown foul shots.

CO-ED SHARPSHOOTERS ARE HONORED IN CHAPEL

Monday chapel opened with announcements by Dean Rose of the individual results made by the members of the girl's rifle team which captured this year's national championship. As an example of the skill exhibited by the George Washington co-eds, Gene Cuvillier scored 599 points out of a possible 600.

Julian Altman, well-known boy violinist, who has recently received an outstanding scholarship in music, played for the assembly and was accompanied by his sister, Sylvia Altman.

The chapel was attended by a large audience, the sororities and their pledges having turned out en masse according to the traditional practice of Pledge Day.

High School Students To Visit G. W. in Spring

Will Hear Lecture on Washington at University Before Touring the City

Spring is coming to Washington, and, with it, high school students from all parts of the country. In the next few months we will see many strange persons parading the campus, under the direction of the alumni secretary, Vernon Brewster.

Washington, being a center of national interest, entertains thousands of visitors each year, especially during the spring, when many high schools send their young Americans to the nation's capital.

Realizing the educational value of an outline of the points of interest in the capital, President Lewis has sent several hundred announcements to high schools all over the country of illustrated lectures for visiting high school groups. These lectures include stereoscopic slides of the points of national interest throughout the city, and a movie of the last inauguration.

FROSH TO MEET C. U. YEARLINGS

Game is Preliminary to Varsity Contest in Gymnasium Tonight

C. U. PROBABLE WINNER
Strong Line-Up Will Try For Double Victory For Colonials In Tack For Double Victory

One game is scheduled this week for the Freshman court team, who will meet the Catholic University Frosh in a preliminary to the varsity game between C. U. and the Colonials tonight in the gym. This will be the first meeting between these two teams, the game scheduled at Brookland several weeks ago having been forfeited by the Catholic Freshmen.

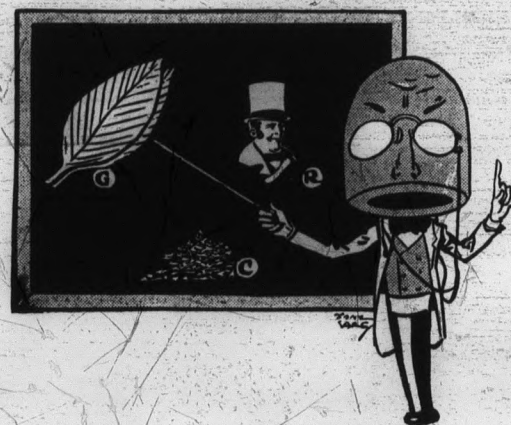

The visitors have beaten some strong combinations this season, including Western High School, over whom the young Cardinals triumphed by a 24-19 score.

The G. W. yearlings also played Western, but did not meet with the same success, having succumbed to the Westerners 37-19 in a game replete with brilliant passing and shooting.

Another line on the strength of the two teams may be obtained from the fact that while Eastern doubled the score on the local Frosh, Catholic U. courtmen held the Easterners to a six-point margin, losing 27-21.

Student Coach Alton Bland promises to send his strongest line-up into this game, in order that George Washington may score a double victory over C. U. tonight. The Colonial team comprises Young and Schaffert, forwards, McQueen, center, and Breslow and Gray, guards, with a strong reserve list including Hoelt, Stewart and Wineland.

Professor Pipe's popular illustrated lecture...

You can learn far more about TOBACCO from old Prof. Pipe, than you'll get by studying every treatise ever written on it. For Prof. Pipe is the world's most eminent authority on the subject... He knows tobacco from plant to pipe!

Experiments with every known species have convinced the Prof. that the one perfect pipe tobacco is Granger Rough Cut... He points out reasons for this conclusion: (g) the Granger-grade Burley, the choicest tobacco grown; (r) the Re-discovery of Wellman's mellowing method; and (c) the Cut of the large slow-burning flakes...

Prof. Pipe proves Granger, by practical demonstration—shows how it acts under fire... You never saw tobacco burn so slow, never tasted such cool, mild mellow-ness! The first pipeful is a liberal education! You'll put your q. e. d. and capital o. x. on G. R. C. ... and all your pipe problems will be solved... forever!

K. B. P. INITIATES HONOR MEMBER

Mme. Suzanne Grinberg, Noted French Woman Lawyer, Taken Into Legal Sorority

NOTED SUFFRAGE LEADER

Beatrice Clephane, Grand Dean of Sorority Is Toastmistress Luncheon

Kappa Beta Pi, legal sorority, conferred an honorary membership upon Mme. Suzanne Grinberg, noted French suffrage leader and lawyer, at a luncheon given in her honor last Friday at the Woman's City Club, by three local chapters of the sorority.

Beatrice Clephane, George Washington Law School graduate and Grand Dean of the sorority acted as toastmistress at the luncheon and was in charge of the initiation. Hazel Newton, senior student in the George Washington Law School and Dean of Nu Chapter of the sorority here, assisted Miss Clephane in the initiation and gave a brief talk on the activities of the organization. Other members who spoke were Mrs. Pearl Bellman Klein, representing Omicron, National University Law School, and Mrs. Martha Gold, Epsilon Chapter, Washington College of Law.

Gives Short Talk

Mme. Grinberg gave a short talk on the practice of law in France and stated that she hoped to be able to interest the feminine law students of her country in a legal sorority similar to Kappa Beta Pi. She was the ninth woman to be admitted to practice before the French bar.

Some of the most famous women jurists and lawyers in America are included in the roster of Kappa Beta Pi, which is the oldest legal sorority in this country. The list of honorary members in this city includes Judge Kathryn Sellers, of the Juvenile Court; Mrs. Ellen Spencer Mussey, former Dean of the Washington College of Law; and Mrs. Burnita Shelton Matthews, President of the Women's Bar Association. Miss Helena Normanton, the first woman to be admitted to the bar in England, is also an honorary member of Kappa Beta Pi.

Razz Berry Published; Copies Still on Sale

Publication is Largest Razz Sheet Ever Printed; Embellished by Bold Headlines

Campus "dirt" was spilled last week in the fourth annual edition of the Razz Berry, annual satirical newspaper of the George Washington University chapter of Pi Delta Epsilon, national collegiate honorary journalistic fraternity, which was placed on sale February 22. A few remaining copies of the publication are to be had at the Hatchet office.

The sheet this year was the largest Razz Berry ever printed, comprising five pages. It was, as usual, printed on glaring red paper, with bold headlines such as "President Lewis Injured," and "Prof. Doyle Fired for Inefficiency," first striking the reader's attention. The editorial column was taken up with another discussion in favor of the establishment of a School of Journalism at this University.

SCIENTIFIC FRATERNITY CHARTERS LOCAL GROUP

of the problems confronting the local chapter were discussed. They adjourned to the Banquet Room of the University Cafeteria, which had been prepared with proper insignia, and which was the scene of the banquet preceding the ceremonies.

Guests of honor and the faculty members were seated at one side of the room, with the student members at the other, the center being left free for the projection of the colored illustrations accompanying Mr. Edwards' talk on the Rainbow Bridge in Utah. This talk was one of a group which have been prepared by the Milwaukee Public Museum on the various national museums and parks of the country. Mr. Edwards is a member of the staff of that museum.

After the informal entertainment of the evening they adjourned again to Geology Hall, when Professor Bonine took charge of the meeting, and where the initiation and installation ceremonies were held. Each member was initiated singly, after which the acting president, Erwin Pohl, presided. Professor Bonine, on behalf of the local chapter, presented Sigma Gamma Epsilon pins to Dr. George P. Merrill and Dr. E. O. Ulrich as tokens of its appreciation of their interest in the principles of geology.

DEBATE ENTRANT TO BE SELECTED

Will Choose Students to Represent G. W. in National Intercollegiate Meet

PRIZES ARE TO BE GIVEN

Entries Close March 15 for Orations on Subject of U. S. Constitution

A contest to select the varsity orator to represent George Washington in the third National Intercollegiate Oratorical Contest will be held early in April, according to plans announced by Professor Gilbert Hall. The subject of the contest is the Constitution of the United States, and all the undergraduates of the University are eligible to participate. Entries will close March 15. All students wishing to enter the contest must see Professor Hall at his office in the Wilkins Building on or before that date.

Prizes Large

The National Intercollegiate Oratorical Contests are held annually by the Better American Federation to turn college thought and enthusiasm towards the business of government, and particularly the American form of constitutional government. Orations submitted must be original, must not require more than ten minutes for delivery, and must be on a subject closely connected with the Constitution. There will be seven prizes, ranging from \$50 to \$1,500, which will be paid in cash at the final meeting in Los Angeles on June 23.

The working unit in the contest is the individual college. Each college may select one representative. The country will be divided into seven major regions, in which colleges and universities will compete among themselves. The representatives of each college, in groups of about eight each, will compete on April 29, to determine the finalist for their region.

Trip to Los Angeles

The regional meetings will be held between May 17 and May 31. The winner in each of these seven regional meetings automatically becomes one of the national finalists. A place in the national finals at Los Angeles carries with it the assurance of one of the seven cash rewards.

DR. RAGATZ HAS TWO NEW BOOKS ON PRESS

Relate to Important Period in History of British West Indies; Are Unique

The Bryan Edwards Press of London has recently announced for autumn publication two books by Dr. Lowell Joseph Ragatz, member of the History Department of this University. Dr. Ragatz was awarded the Justin Winsor History Prize at the 1926 meeting of the American Historical Association in Rochester last December.

These two works are "A Catalogue of Parliamentary Papers-Relating to the British West Indies and the West Indian Slave Trade and Slavery, 1763-1833," and "A Guide to the Official Correspondence of the Governors of the British West India Colonies with the Secretary of State, 1763-1834."

Both books deal with the same period in the history of what are now minor British possessions, but which were for more than two centuries the most highly valued portion of Great Britain's colonial empire, and in which innumerable pressing imperial problems were first encountered and solved. The first, to quote from the Foreword, "is a by-product of a study of West Indian economic history after the Peace of Paris, now nearing its completion" and the author expresses his hope that the "clearing of a new path will be of assistance to those entering in upon the exploration of what is still largely virgin territory."

Valuable for Research

"This first book does not include correspondence with various powers relative to the slave trade and slavery in general, treaties on these subjects made with foreign nations, or papers relative to apprenticeship and emancipation. It does, however, include all published papers on both the trade and slavery as related to the Caribbean colonies, as well as all other papers dealing with them in any way, from the Peace of Paris to the coming in force of the Emancipation Act." This first book is entirely complete within these limits.

The second book, "The Guide to the Official Correspondence..." lists the correspondence from the several colonies in island groups arranged in alphabetical order; that from each colony, chronologically. This book is unique in its field, and "is printed in the hope that it may lighten the task of others engaged in research in the many phases of the history of the islands" during this period of nearly three-quarters of a century.

Both of these books are of unusual value, since the British West India colonies have, within the past decade, afforded one of the most popular fields of research in colonial history. Studies of various phases of their development have been made since 1913 at the University of London, Oxford, Cambridge, the University of Paris, Wisconsin, California, Indiana and Yale.

CHANCELLOR CLARK, OF AMERICAN UNIV., TALKS

The chapel Wednesday, February 9, proved unusually interesting. Chancellor Clark, of American University, was the speaker. Last year Mr. Clark gave a similar talk on "Capitalization of Talents," and this year he continued the series in two topics, "Capitalization of Personality" and "Capitalization of Opportunities." The gist of the talk was that personality was just as dominant a force in success as education and experience, as a charming personality radiated confidence to all it came in contact with, and often interested and held people where logic would never prevail.

NEW TYPE DEBATE TRIED WITH SQUAD

Swarthmore and G. W. U. Men Appear on Both Sides of Questions

POLICIES IN CHINA ARGUED

Is Second Time This Method Has Been Used By Two American Teams

Friday night, February 18, marked the introduction in this city of the latest type of debate presentation. In this debate at Corcoran Hall, a Swarthmore and George Washington student appeared on both the negative and affirmative sides, and although an open forum followed the debate, no decision of any kind was rendered. This is the second time that such an experiment in argumentation has ever been made by two American teams, the first being tried at Princeton in 1925.

Owing to the newness of this scheme, whereby schoolmates oppose each other assisted by members of another college, considerable notice was taken of this event. The University Debaters Annual, published by H. W. Wilson Co., will contain a detailed account of the contest, together with a copy of the various speeches presented. These were taken down by a shorthand reporter verbatim. The book will be off the press late in the spring.

Discuss China

The subject for debate was, "Resolved, That the Foreign Governments Should Abandon Their Extraterritorial Policies in China." Affirmative speeches were made by E. C. Gallagher, of George Washington, and Horace Smith, of Swarthmore. Members of the negative side were Alexander McDougall, of Swarthmore, and William Raymond Ogg, of George Washington. Professor Gilbert L. Hall presided.

The affirmative speakers asserted that the Powers would soon be obliged to renounce extraterritoriality on Chinese terms if they did not take steps to abolish it on conditions of their own choosing. They recommended gradual and cooperative abolition of extraterritoriality because of the ability of the Chinese to participate in such cooperation, and urged that "Cooperative Conciliation" be used rather than "Coercion and Catastrophe."

The negative arguments were based on the assertions that China is not yet ready for complete abolition of servitude and that such abolition referred to immediate and absolute action instead of the gradual enforcement preferred by the affirmative.

of the college on George Washington's birthday. Following the debate, the team members were tendered the most cordial and hospitable entertainment of the tour. At noon a banquet was given in their honor, after which they witnessed a swimming meet. In the evening they attended a "Gumshoe Hop."

At Butler College, despite the fact that the verdict of the expert judge was against them, 2 of the 3 places in honorable mention for presentation were awarded to Colonial debaters. A 2 to 1 defeat was received at the University of Cincinnati.

No decision debates were held at the University of Indiana, the City College of Detroit, the University of West Virginia, and Hillsdale College.

Temple Loses

The team which visited the Middle Atlantic Section, composed of James Kirkland, Joseph Levinson, and Ray Harris, received 3 victories and 2 defeats in the 5 engagements in which it participated.

Temple University of Philadelphia, was defeated by George Washington University by the decision of an expert judge. A like verdict was forthcoming in the debate with New York University. At Swarthmore a new type of debate was tried. Each team was composed of 3 men, 1 of which was a member of the opposing school. In this instance, the team containing 2 Hatchettes and 1 Swarthmore student was victorious. Defeats were received at the University of Maryland and Rutgers College, both by a vote of 2 to 1.

The New England team, which re-

turned last Sunday night after engaging in 8 debates, won 4 and lost 3 encounters, while no decision was received on one occasion. Colby College, at Waterville, Maine, was defeated 3 to 0 on the subject of light wines and beer. A defeat was received by the Colonials at the University of Maine on the same subject, by a score of 2 to 1.

Down Boston

Boston University was defeated by a unanimous vote of 3 judges on the question of Inter-Alleged Debts. Previous to this time this university had won 28 straight debates and had not been defeated in 5 years, claiming the championship title of the United States. Defeats were forthcoming both at Bates College and Williams College.

A 3 to 0 victory was sustained at Massachusetts Agricultural College, of Amherst, Massachusetts. At Clark University a 2 to 1 judges vote was received in the favor of the Colonial debaters. This decision was upheld by the audience, which voted 47 to 25 for the merits of the Hatchette arguments on the question of light wines and beer. A no decision debate was engaged in at Columbia University.

ISSUE NOW SQUARELY PUT

Social Committee Makes Final Effort to Interest Students; Prom May Be Abolished

One last call is made for students to come out and show some interest in the Junior Prom! At a meeting of the Student Social Committee the matter of a Junior Prom was put squarely up to the classes.

The Proms of former years have been financial failures, and the committee has decided that if sufficient interest cannot be worked up to make this year's Prom a social as well as financial success the function must be abolished altogether.

Class Presidents Meet

It was in an effort to lower expenses and yet retain the Prom that the Social Committee in a joint meeting with the Junior and Senior Class presidents of the colleges some weeks ago determined to combine the Junior and Senior Proms. At the same time class meetings were called both by announcements in the Hatchet and by notices on the bulletin boards, but there was no turn-out. The Prom should be held during the latter part of March, however, if it can be made an entire success.

Ballot to Decide

A last effort is being made to get the members of the classes to decide upon the matter. A ballot is being printed in this issue of the Hatchet which gives the students an opportunity to indicate their intention to support the Prom or their desire to have it abolished.

The Engineering students are very enthusiastic, while the Medical School students are agreed to whatever may be decided upon. The issue is now in the hands of the Arts and Science students.

STUDENTS TO GO ABROAD

The Fontainebleau School of Art, of France, will receive two new students in the persons of Donald Kline, and Joe Sapesh, '24, for this year's summer course.

Sapesh is a graduate of the George Washington Architectural School. Kline is at the present time enrolled in the latter.

UNIQUE FAVORS FOR FRAT PROM

Final Plans to Make Dance Big Social Event of Year Being Made

Weidmeyer's Orchestra of West Virginia to Furnish Music for Willard Hotel Event

Something new and surprising in favors will appear at the Interfraternity Prom, to be held at the Willard Hotel, March 11, at 10 o'clock. Final plans to make the prom the big event of the year are being laid and a record crowd is expected to attend. Tickets are being distributed to the fraternities by their representatives on the Interfraternity Council.

Weidmeyer's Orchestra, of Huntington, W. Va., which has played at every college of major importance in this part of the country except George Washington, will furnish the music. This orchestra regularly plays at such colleges as Cornell, Princeton, Virginia, Georgia Tech, and Washington and Lee.

Fraternity songs of every university on the campus, and such university songs as the "Buff and Blue" will be featured by the orchestra.

Fraternity Songs

Each fraternity is urged to send its favorite score to Vance Brand, chairman of the Interfraternity social committee in charge of the prom.

The price of tickets is five dollars, and dancing will be by program and from ten until two. Stags will be admitted only at the five dollar price.

Among the events of the prom will be the awarding of the basketball, bowling, and other athletic cups, and the scholarship cup, to the fraternities that have won them.

The Interfraternity and Pan-Hellenic proms, the latter being staged by the sororities, are annually among the major social events of the University. They will have even more importance this year in view of the fact that the Junior Week program, which usually comes in February, did not materialize.
